### REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance:

There was no prior art found by the examiner that suggested modification or combination with the cited art so as to satisfy the combination of all the limitations in claim 1.

As to claim 1, the prior art of record, taken alone or in combination, fails to disclose or render step **“converting a signal having an X position, a Y position, and an intensity component to a signal having an angle, a radius, and an intensity and filtering out all signal sets that do not have a radius greater than a predetermined radius”**, in combination with the rest of limitations of claim 1.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

2. With respect the IDS filed 1/7/05, the reference listed on the PTO-1449 has been “crossed-off” because it has been cited on PTO-892 of the previous Office action.

3. The drawing filed on 3/9/05 has been accepted.
